We at the Mars Rising Network thank you for your purchase of the DIY Business Plan and we appreciate your entrepreneurial spirit. It is no small thing to start a new business or to expand your existing business. We think you will find this instructional guide to be very educational and invaluable to the future of your business.

When constructing any business plan it is important to know your business and even more important to convey or translate that knowledge and information in a manner that can be understood and that can create excitement about your business. We would like to offer a bit of advice and some information to help guide you through the process of constructing your business plan before you begin.

The DIY Business Plan is designed to walk you through the process. PLEASE PRINT THE ENTIRE 33 PAGES OUT IT WILL BE TO YOUR BENEFIT AS YOU BEGIN THE WRITING PROCESS.

First this a very comprehensive business plan set up. We have used this model for many years and so have many others. As you read through the plan you will find that some of the sections pertain to you and that some do not. The main reason for this is that it is designed for a start up business and for an existing business. It is also designed for many different types of businesses. It is the most inexpensive way to get this information to entrepreneurs like you and that is our main goal. It will be up to you to determine what you will use and what you will not use.

Please be patient as it will take you some time to work it all out but be assured if you follow the guide you will end up with a first class business plan.

It is all laid out for you so follow each and every section all the way through and make your decision based on what you think is best for your business. There is no particular section or part of any section that we expound upon because it is laid out so well for you.

Remember that there is one way to offer a business plan to a bank and another to offer it to investors and this is explained briefly in the business plan guide itself.

IF YOU NEED ANY ASSISTANCE YOU ARE RECEIVING 1 HOUR OF FREE CONSULTATION. ANY FURTHER CONSULTATION IS \$100 PER HOUR.

IF YOU ARE SETTING UP A BUSINESS PLAN TO INTRODUCE TO INVESTORS PLEASE CONTACT US AND WE WILL ASSIST YOU IN MAKING THAT POSSIBLE FOR THE LEAST AMOUNT OF MONEY AND EFFORT.

WE WISH YOU ALL THE BEST IN YOUR VENTURE AND WE ARE ALWAYS AVAILABLE TO ASSIST IN ANY WAY WE CAN.

Sincerely;

Jeffrey Benson / CEO
