**Design Work with 6 - 3D renderings approval:**

I, \_\_\_\_\_ have worked together with the designer \_\_\_\_\_ on my Invention Idea and we have finalized the custom design work and 6 - 3D product renderings. I understand that any payment due for a cash transaction is now due and payable. If my project is being financed then my monthly payments are already established and I will receive my package with no restrictions. With this approval the drawings will be sent to the patent attorney to be filed.

By signing below I acknowledge that I accept the work as complete and that additional changes requested in the future may be billed at additional cost.
